Dear Mr. Lack:

On behalf of INTA and the Selection Committee, we thank you for submitting an application to become a member of the Panel of Neutrals. I am pleased to inform you that, after careful review of a large number of qualified applicants, the Selection Committee has selected you to join the Panel. As you know, this innovative Alternative Dispute Resolution (ADR) program has been very successful in resolving trademark and unfair competition disputes without litigation, and its greatest strength has been the distinguished Neutrals. Your experience and proven abilities will permit you to make a significant contribution to ADR in the field of trademarks.

Since the inception of the Panel of Neutrals, INTA has maintained high standards for its neutrals. To meet these standards, neutrals must have substantive legal knowledge coupled with training in mediation and must make a commitment to continue to gain relevant knowledge through experience and training during their tenure on the Panel. The mediation training requirements, as well as a template for your biography, will be sent to you via email and your biography will be posted on the INTA website for parties seeking a mediator. Please keep in mind that each Neutral must perform a minimum number of mediations and/or training hours within the current term – ending 2007 – to qualify to rejoin the Panel for the 2008 – 2011 term.

Once again, congratulations and welcome to the Panel of Neutrals. For current news and updates on ADR, please visit the ADR section of the INTA website. For information on current issues, please contact Susan Richey at srichey@piercelaw.edu. If you have any questions regarding the Panel, please contact Simran Daryanani, staff liaison, at +1-212-642-1770 or sdaryanani@inta.org.

Sincerely,
